## EDUCATION

### Bachelor in Information Technology

GC University Faisalabad

2015 - 2019

Lahore

## WORK EXPERIENCE

### ROR Developer

ISOFTSTUDIOS

2023 - Present

Lahore

Achievements/Tasks

- I have developed and maintained web applications using the Ruby programming language and the Rails framework. I was responsible for writing clean, efficient, and maintainable code. I designed, implemented and managed databases supporting web applications. I often work with relational databases like PostgreSQL.

### Frontend Web Developer

DevNova Solution

04/2023 - 10/2023

Lahore

Achievements/Tasks

- I was responsible for implementing visual elements that users see and interacted with in a web application. I was usually supported by back-end web developers, who are responsible for server-side application logic and integration of the worked front-end developers done.

### Internship as a Frontend Web Developer

SHAHRUH Technologies PVT. Limited.

2022 - 2023

Lahore

Achievements/Tasks

- I was responsible for things like fixing bugs, implementing mobile site designs and maintained workflow management.

### Data Entry
